

## Professional Management of Housekeeping Operations, 5th Edition

**Description:** Now in its fifth edition, Professional Management of Housekeeping Operations is the essential practical introduction to the field, a complete course ranging from key principles of management to budgeting, from staff scheduling to cleaning. With expanded attention to leadership and training, budgeting and cost control, and the increasingly vital responsibility for environmentally safe cleaning, the latest edition of this industry standard also includes new case studies that help readers grasp concepts in a real-world setting.

Instructor's Manual, Test Bank in both Word and Respondus formats, Photographs from the text, and PowerPoint Slides are available for download
